01 PROFILE

I am a Self-Experienced Web-developer, adept at bringing forth expertise in the design, installation, testing, and maintenance of Web-application as well as App's. Proficient in an assortment of technologies, including JavaScript, NodeJs, React, React Native, Swift IOS, and MongoDB Atlas Server. Knowledgeable in the user interface, testing, and debugging processes. Self-motivated & problem-solving capability. I believe empathy is a key factor in emotional intelligence which makes it an important skill in any workplace.
